

# NEMEC

Writing and Editing, LLC

## Capabilities Statement

UEI: RAQ3U3FW4T73 | CAGE: 9X3U8

NAICS codes:

561410 — Document preparation services

711510 — Independent artists, writers, and performers

I help organizations create content about ecological restoration and air quality that resonates. I approach my work with listening, collaboration, and writing skills grounded in curiosity and a passion for fostering social, cultural, and ecological resilience.

### PAST PERFORMANCE

#### Example clients:

- Health Effects Institute, 2024 to present  
Copyedit scientific reports
- Charlesworth Author Services, 2021–23  
Copyedited scientific journal articles
- Popular Science, 2022  
Wrote science article for lay audience

#### Corporate experience:

- Wrote master plan for U.S. Army Corps of Engineers that saved \$800 in editing costs for each section because of writing quality
- Received award from USACE for high-quality coordination with agencies and timely completion of documents
